ORDER:

The Government have had under consideration, for some time past, the question whether the pay and conditions of service of the workers in the Civil Supplies Transport Organisation call for any change in the light of the Award issued by the Industrial Tribunal appointed to enquire into and report on the conditions of labour in the Motor Transport Services in the Madras Presidency, notwithstanding -the fact that the Award ~~xxxx~~ was not binding on the Government. They have carefully examined the matter in all its aspects and have come to the conclusion that the existing scales of pay in the personnel of the Civil Supplies Transport Organisation compare favourable with the recommendations in the award and do not, therefore, call for any change. They have also considered another question in this connection, viz., as to the need for the continuance of the temporary extra pay now being paid to the staff,based on the interim Award of the Tribunal. As the sudden stoppage of this additional pay is likely to cause hardship, they have decided that it may continue to be paid. His Excellency the Governor of Madras accordingly directs that members of the Civil Supplies Transport Organisation, as are now drawing the temporary extra pay with reference to the orders ~~xxxxxx~~ issued in G.O.No.Ms.~~No~~ 3091,Home, dated 6-8-1947 shall continue to draw it until further orders.

2. One of the recommendations in the Award was in regard to the supply of~~x~~ uniforms. None of the workers in the Civil Supplies Transport Organisation is ~~are~~ at present supplied with uniforms. The Government, however, consider that it is desirable to supply uniforms to the cleaners of the organisation. His Excellency the Governor of Madras accordingly sanctions the supply of uniforms to all the cleaners of the Civil Supplies Transport Organisation at the rate of two sets at a cost not exceeding Rupees fifty only for both sets per head per year. The Board of Revenue (Civil Supplies) is requested to intimate to the Superintendent of Stationery the total number of uniforms that will be required, for necessary supply at an early date.
